

Measure of the Dean of the Faculty of Economics No. 316 E of 19 October 2026

on Faculty Conditions for Supporting Individual Grant Projects GA JU
for 2027

PID: JUCBX00TPYGD
Ref. No.: JU/2026/028389

Article 1 Subject of the Measure

This Measure lays down supplementary conditions of the Faculty of Economics of the University of South Bohemia in České Budějovice (hereinafter referred to as "FE USB") for GA JU individual grant projects of the Talent and Finish types commencing in 2027. It is issued in accordance with Rector's Measure No. R 652 of 14 October 2026, establishing the principles of GA JU, and Rector's Measure No. R 653 of 14 October 2026, announcing the relevant call for proposals. All other matters shall be governed by these Rector's Measures.

Article 2 Faculty Financial Limits

1. The total funding for an individual grant project at FE USB may not exceed CZK 70,000 for the entire project period (1 February 2027 to 31 January 2028).
2. The aggregate amount of scholarships awarded as remuneration to the principal investigator and all co-investigators may not exceed one third of the total approved project budget.
3. One-off scholarships intended exclusively to cover justified project-related travel expenses shall be reported separately and shall not count towards the remuneration limit.

Article 3

Approval for Submission of a Project Proposal

1. Before submitting an application, the student must obtain written approval of the project proposal, including its budget, from both the supervisor and the Research Office of FE USB.
2. The student shall submit the project proposal and budget to both of the above parties sufficiently in advance of the application deadline. The application may be submitted only after both approvals have been obtained.

This Measure shall enter into force and take effect on the date of its promulgation.

Assoc. Prof. RNDr. Zuzana Dvořáková Líšková, Ph.D., m. p.
Dean of the Faculty of Economics

Responsible:
Assoc. Prof. Ing. Ladislav Rolínek, Ph.D.
Vice-Dean for Science and Research of the Faculty of Economics
