¹ Effective September 1, 2025, the number of mandatory outputs has been adjusted in accordance with Measure of the Dean No. 291/2025.

² In accordance with the Code of Ethics of the University of South Bohemia in České Budějovice, articles published in predatory journals will not be credited to authors.

³ Outputs can be repeated, but are counted only once.

⁴ The output is defined in Government Decree No. 274/2016 as follows: "Part of the study obligations in the doctoral study program is completion of part of study at a foreign institution for at least one month or participation in an international creative project with results published or presented abroad or another form of student direct participation in international cooperation."

For each publication that students list as an output of their doctoral studies, their authorship share will be stated as a percentage, such that the sum of all authorship shares equals 100%. In one of these publications, the student must be listed as the first author. All of these publications must be thematically related to the dissertation.
